Each TouchScreen provides one-stop control of security, lights, thermostats and more.

UltraSync™ 7" TouchScreen

Secure and convenient management of your SmartHome system

Total control throughout your home.

Enjoy quick and convenient access to your UltraSync SmartHome system with the UltraSync 7" TouchScreen. The UltraSync Hub can accommodate up to four TouchScreens, so you can mount them in multiple areas throughout your home for at-a-glance system status and easy operation.

The user-friendly interface is nearly identical to the UltraSync mobile app, making system management easier than ever.

Flexible & intuitive

Convenient TouchScreen control

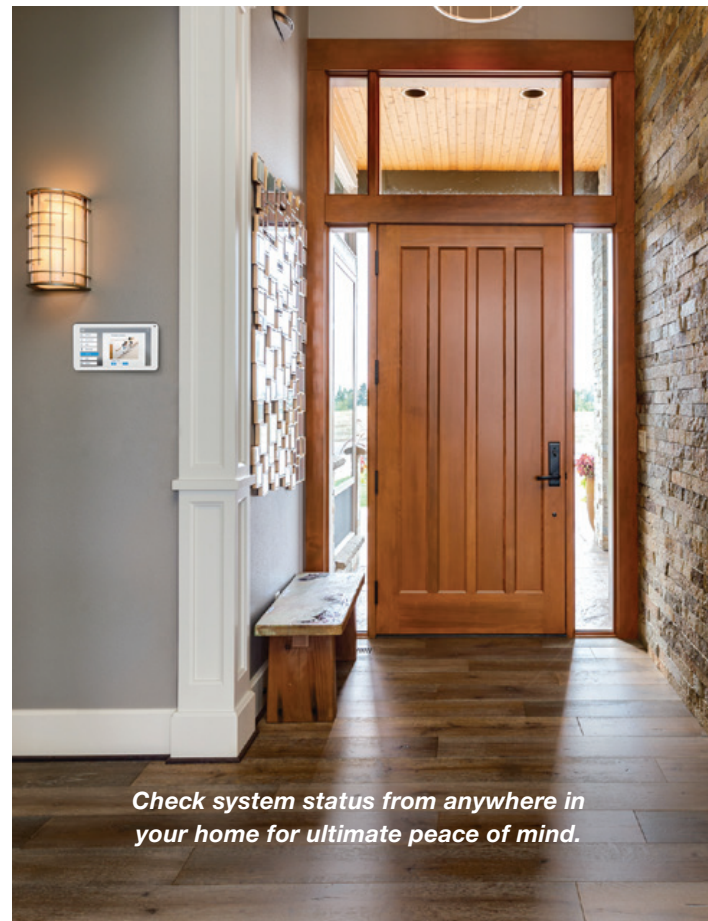

- Arm and disarm system, view current system status
- Trigger automations
- Control lights, thermostats, door locks and more
- View camera images and recorded clips
- View sensor status and control settings

Additional features

- Intuitive interface similar to the UltraSync™ mobile app
- Upgradeable software, just like the mobile app, keeps up to date with the latest features
- Low-profile design, perfect for installing on walls and desktops

Works with
UltraSync™
SmartHome

Check system status from anywhere in your home for ultimate peace of mind.

Interlogix provides global security and life safety solutions for both commercial and residential applications—helping customers secure and protect what matters most.
